

# Sample school waste policy

---

**Tasmania Primary School** is committed to continually reducing waste to landfill and to maintaining a litter free school environment as part of a whole school approach to sustainability.

**Tasmania Primary School will:**

- Incorporate sustainability into all areas of the school curriculum
- Encourage the broader school community to adopt the principles of waste management as outlined in the waste hierarchy (see Figure 1)
- Adopt and follow a sustainable procurement policy
- Maintain an action plan to provide direction for the achievement of these goals
