

Example letter to inform parents/guardians of the waste management program:

Dear Parent/s - Guardian/s,

Our school is planning to begin a program to reduce the amount of waste created in the school from

.....

This program follows on from the waste audit conducted on

.....

To begin with our school will concentrate on

.....

This waste management program is embedded within our programing and planning for this term and will assist students to obtain the understanding required under the sustainability cross curriculum priority of the Australian Curriculum.

The program also has benefits for the entire school community, as it will assist us to become more aware of the waste we produce and to develop ways to reduce the amount of waste we would normally throw away. Beginning a waste management program is a definite step towards reducing waste in our school and playing our part in making our planet a healthier place to live.
